EQUIPMENT LIST

Pianist:

BASIC SETUP. a) 2 keyboards, or b) 1 keyboard plus grand piano

- setup a) If there is a grand piano it should be Steinway or Yamaha, in good tune -

setup b) If there is no grand piano, KEYBOARD #1 will be required

- **KEYBOARD #1:** NORD STAGE/PIANO or ROLAND RD 300/700 OR NEWER SERIES 88 weighted keys full size plus sustain pedal and separate scissor stand.

- **KEYBOARD #2:** Artist will provide their own controller. Separate scissor stand and Stereo DI input will be required (going through a Focusrite interface from the computer). Little table to accommodate a computer and the interface is required.

*(**IMPORTANT**, if the setup is option b, on the stage, drums should be where bass is and viceversa)*

Drummer:

- 4 piece drum-kit of the highest quality available(Yamaha, birch, maple, or oak customs are all acceptable) with appropriate micing.

- 20" kick drum

- 14" floor Tom, 10" & 12" rack Tom

- 14" snare drum

- Full cymbals combo (ride, crash, splash & china)

- Heads: preferable Remo Emperor

- 2x Timbales: LP or Gon Bops

- 2x cowbells ("cha" cowbell and "salsa" cowbell if available)

- 1x Jam Block (black or red style)

Plus all necessary hardware:

- Cowbell mount for bass drum

- music stand

- drum throne

- kick pedal

- snare stand

- high hat stand

- 3 boom cymbal stands

- floor Tom legs

- rack tom mount

- carpet for under drums

- timbales stand

Bassist:

- 1 bass amplifier (SWR/EDEN/MARK BASS OR EQUIV, MIN 500w) WITH 4x10 SPEAKERS or equivalent
- music stand

INPUT LIST

Pianist

- 1x stereo DI (alt. 2x mono DI) for keyboard
- If acoustic piano, mic as appropriate
- 1x talkback mic

Drummer

- Mics as appropriate
- If available, add MIC to Cowbell

Bassist

- 1x mono DI (or direct feed from amp if appropriate)

MONITORS

Pianist: 2x floor wedge for pianist, placed on either side of piano bench, raised approx. 18" from floor, fed as stereo.

Bassist: 1x floor wedge

Drummer: 1x floor wedge + sidefill as appropriate
